Currently, the total number of 17,778 students are enrolled in ODL and Online mode in 40 different UG, PG, PG Diploma and Certificate programmes.

We are offering admissions in all these programmes in 2026-27 also. The admission process for ODL and OL mode opens twice in an academic year i.e. in July and January every year. The CDOE, JMI always works hard to meet the quality standards in all the academic activities like preparation of Self Learning Material (SLM), conducting counselling sessions, workshops and dissertations, and puts its sincere efforts to provide quality education and experiences to all our learners.

In order to improve quality teaching-learning, the University is taking new initiatives such as providing audio and video lectures through the CDOE JMI Official YouTube Channel and streaming of counselling sessions through this channel so that a large number of students are benefited from such sessions. Various extension and special lectures on important themes will also be conducted which will be available to all our students through this channel. We are also planning to celebrate different events and important days like Yoga Day, World Environment Day, AIDS Day, Population Day, Education Day etc. in online mode and disseminate the video of these events with the help of our YouTube Channel so that we reach out to our large number of learners enabling them to participate in all such activities and enrich their experiences.

I sincerely appreciate the hard work and dedication of all our officials working at the Centre for Distance and Online Education towards providing quality learning to our ODL and OL learners. Message from the Registrar

Prof. Md. Mahtab Alam Rizvi
Registrar, JMI

Jamia Millia Islamia is a dual-mode university, offering various programmes of learning through the regular, Open and Distance Learning (ODL), and Online Learning (OL) modes. Distance and Online Education are becoming the need of the hour, as these modes enable us to meet the increasing expectations of candidates who have limited opportunities or resources to pursue higher education through the regular mode. At present, we have a total enrolment of around 18,000 students in the ODL and Online modes across 40 different Postgraduate, Undergraduate, Postgraduate Diploma and Certificate programmes.

In the coming session, we are offering admission to all the ongoing programmes while also introducing new and relevant programmes in emerging areas. The Centre is making continuous efforts to offer programmes that are more skill-based and have high employability value. The B.Sc. Biosciences programme is also being introduced from the current academic session. Additionally, a Media Lab has been established to strengthen content development, recording facilities and practical learning for students. We will continue to explore and introduce new programmes in the years to come in accordance with the changing academic and professional requirements of learners.

The admission process is conducted twice a year as per the UGC-DEB guidelines. Every year, one batch starts in July and the other in January. The admission process for these batches opens in July and December, respectively. Thus, students are admitted to our different programmes twice in an academic year. In all academic activities, including the preparation of Self-Learning Materials (SLMs), the conduct of counselling sessions and workshops, and the supervision of dissertations, we always strive to maintain quality standards and make sincere efforts to provide quality education and enriching learning experiences to all our learners.

I sincerely appreciate all the officials working at the CDOE for their hard work and dedication towards providing quality learning experiences to our ODL and Online learners. I welcome all learners to the different programmes offered by the CDOE, Jamia Millia Islamia, and wish them an enriching academic experience, a bright future and a successful career ahead.

2. Centre for Distance and Online Education

The Centre for Distance and Open Learning (CDOL) was established in September 2002 with the support of the Distance Education Council (DEC), based at the IGNOU campus in Delhi. The DEC was later dissolved, and in 2013, the Distance Education Bureau (DEB) was created to formulate policies for governing higher education institutions (HEIs) offering distance education. Additionally, in 2009, the Ministry of Human Resource Development (MHRD) of the Government of India also approved the Centre. Owing to Covid and resultant disruption in the way formal education was being imparted; Regulation 2020 of DEB made it mandatory for Distance Educational institutions in a dual mode university to rename their HEIs as Centre for Online Education, therefore the Centre was renamed as Centre for Distance and Online Education (CDOE).

The Centre aims to provide access to higher education for individuals who cannot benefit from traditional educational systems, ensuring that learning is available at the doorstep of every learner. To support this mission, the Centre offers comprehensive self-learning material (SLM) created by subject experts, designed to accommodate learners from diverse educational backgrounds. These materials are complemented by counseling sessions conducted by teachers who provide invaluable assistance to distance learners. In response to evolving technological advancements, the Centre has also adapted its approach by conducting classes through online platforms as well.

To enhance accessibility, the Centre has established Learner Support Centers (LSCs) across various states in India. These LSC's are located at far flung and at times in remote locations of the country. These LSCs also play a crucial role in reaching out to learners from rural areas.

Over the years, CDOE has experienced significant growth in student enrollment and course offerings. In 2002, the Centre offered just five programs, including B.Ed, Diploma in Power Generation Engineering (DPGE), DECCE, and MA in English and Hindi. Today, it provides 50 undergraduate, postgraduate, diploma, and certificate programs; with annual enrollments of approximately 20,000 students—comparable to regular student numbers in JMI.

Currently, the Centre employs 30 Assistant Professors and nearly 40 administrative staff to support operations. The growing student population places immense pressure on service delivery, making it crucial for CDOE to continue its evolutionary role and by engaging a wider cross section of student community.. In alignment with the NEP-2020 roadmap for enhancing higher education and improving the Gross Enrollment Ratio, it is essential for Higher Educational Institutions (HEIs) to carry forward the mission of Government of India by providing more accessible, quality education to students and the Centre continues to fulfill such requirements as well.

2.1 Open and Distance Learning (ODL) & Online Learning (OL) Mode Programmes

“Online Learning Mode means a mode of providing flexible learning opportunities by overcoming separation of teacher and learner using internet, e-Learning Materials and full- fledged programme delivery through the internet using technology assisted mechanism and resources”.

“Open and Distance Learning Mode means a mode of providing flexible learning opportunities by overcoming separation of teacher and learner using a variety of media, including print, electronic, online and occasional interactive face-to-face meetings with the learners or Learner Support Services to deliver teaching-learning experiences, including practical or work experiences”.

The Centre for Distance and Online Education, JMI is one of the few reputed Higher Education Institutes to provide the UG, PG, and Diploma Programmes in Open and Distance Learning (ODL) as well as Online Learning (OL) mode. CDOE has been providing Online Degree programmes since 2021. The Centre aims to make optimum use of technological advancement in imparting Education through the Online Mode and facilitate the learners with ease. Given the recent developments in the area of education and resultant positive changes, the Centre has

also adopted varied Online Methods of Evaluation and Online Teaching. Such use of technology has bridged a gap between the learner and facilitator and made education more accessible to learners based in far-flung areas. Moreover, these Online Programmes are also accessible to Foreign Nationals who are interested in pursuing education at our Institute.

Personality by choosing subjects across disciplines and mediums. The CDOE would like to encourage interdisciplinary among students in their studies. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Assistant Professors or Programme Coordinators may be contacted for advice or any other help related to the CBCS.

2.2 Centre for Internal Quality Assurance (CIQA)

The UGC (ODL) Regulations 2020 make it mandatory for dual-mode universities to establish a Centre for Internal Quality Assurance (CIQA) exclusively for their distance mode programmes. The objective of CIQA is to develop and put in place a comprehensive and dynamic quality assurance system to provide high-quality programmes of higher education in the distance and online learning mode. Accordingly, the Vice Chancellor constituted the CIQA Committee to monitor the qualitative mechanism of the Centre; the committee consisted of the following members:

Vice Chancellor, JMI	Chairperson
Three senior professors of JMI	Member
Head of three departments or school of studies from which programmes being offered in ODL/ Online mode	Member
Two external experts of ODL and/or online education	Member
Registrar	Member
Finance officer	Member
Director	Member Secretary

2.3 Objectives

- ❖ To promote and advance education through distance and online modes.
- ❖ To encourage the creation and dissemination of knowledge using the latest educational tools and technologies.
- ❖ To create environmental and societal responsibilities among students and ensure steady growth of the University.
- ❖ To trust every individual and treat them with dignity, respect, and fairness by always practicing open and honest communication.

2.4 Instructional System

The distance and online education programme delivery system include the multi-media approach, i.e., self-learning material available in hard copy and soft copy (PDFs), audio/video components, assignments, counselling sessions, practical work, discussion forums, and workshops.

2.5 Learner Support Centres (LSCs)

“Learner Support Centre means a center established or recognised by the Higher Educational Institution for advising, counselling, providing interface between the teachers and the learners, rendering any academic and any other related service and assistance required, inter alia, by the learners of Open and Distance Learning mode”.

It is a contact point to provide academic as well as administrative support to its learners. All the important communications are sent to the Centre Coordinator of the Learner Support Centre. A copy of important circulars/notifications will be displayed on the notice board of the Learner Support Centre to provide the latest information about the assignments, submission of the examination forms, date sheet, list of admitted students, declaration of result, etc. Extracurricular activities encouraged at the Learner Support Centre like Annual Day, Sports Day, Literary Competitions, etc. are held and encouraged.

2.6 Self-Learning Material (SLM)

The e-copy (soft copy) of Self Learning Material for both theory and practical components for each programme of study is provided to all the learners of ODL as well as OL mode. The PDFs of the SLM are uploaded to the Google Classroom of each respective programme. The SLM of each course/paper in each programme is prepared in the form of blocks and units. Normally each course is divided into 3 – 5 blocks and each block contains 3 – 5 units. The code for each

course under each programme is different so that it may be identified and accessed comfortably.

The fee for the e-copy of SLM is included in the programme fee. However, the hardcopy of the SLM is provided ON DEMAND to the learners of ODL mode only as per the following extra charges:

Programme	E-SLM (PDF form or Soft Copy)	Fee of E-SLM	Print SLM	Extra Charge for Print SLM
All programmes in ODL Mode	Provided to all students	Included in Total Programme Fee	Provided on Demand	Rs. 300/- per code
All programmes in OL Mode	Provided to all students	Included in Total Programme Fee	No Provision	Not Applicable

Note:

1. In online mode, there is no provision of On Demand Print SLM. Online mode is devoted towards a paperless and environmentally sustainable approach.
2. In ODL (Open and Distance Learning) mode all students are supplied with the soft copy of SLM (PDF/e-form of SLM), but there is a provision of providing SLM in print form/hard copy on demand. We encourage students to use e-SLM and be environmentally sustainable in their approach, but still if they need to have the hard copy of SLM they may submit the requisition form along with the DD/payment receipt of the required amount (as shown in table above) at the LSC counter.

2.7 Audio and Video Programmes

The Audio and Video Programmes are supplementary, meant for clarification and enhancement of understanding in various courses of the Programme. These are used during Counselling and workshop sessions at the Learner Support Centres. The information regarding Online Educational Resources (OERs) shall be made available to the learners during counselling sessions.

2.8 Library Facility

Counselling sessions are held at the Learner Support Centres (LSCs), normally on weekends and during long holidays, within the general academic schedule of the programme. The counselling schedules are shared well in advance by the LSCs and the Programme Coordinators through Google Classrooms, as well as on the official CDOE webpage (<https://cdoejmi.ac.in/conselling-workshop-schedule/>) and the Jamia Millia Islamia website ([https://www.jmi.ac.in/Centre-For-Distance-And-Online-Education-\(CDOE\)/Counselling/-Workshop-Schedule](https://www.jmi.ac.in/Centre-For-Distance-And-Online-Education-(CDOE)/Counselling/-Workshop-Schedule)).

The counselling duration and time for each theory course will consist of 6 sessions of 2 hours each.

The **counselling sessions for ODL Programmes** are held at the Learner Support Centres.

However, the CDOE has decided to conduct the counselling sessions in a blended mode as per UGC-DEB guidelines. For **Online Learning (OL) programmes**, all the counselling sessions and all other academic activities are conducted in purely online mode.

The counselling sessions are taken by faculty members and experts from the field. The counselling sessions will include clarifications required in the SLM and other related difficulties through active interaction with students. Attending counselling sessions is optional, however, presence and participation in the counselling session are highly beneficial for the learners and their academic growth. The e-SLM in the form of videos and PDFs will be uploaded on the respective Google Classrooms.
